

# SRC

SCORED RAILCAR DISC

SRC • RUPTURE DISCS

## Oseco's SRC railcar disc eliminates the need for PTFE seals

- **Solid Metal Design - Inconel or Stainless Steel disc with Stainless Steel ring**
- **Does not utilize PTFE**
- **Fits standard threaded or bolted railroad tank car safety vent**
- **Meets AAR requirements**
- **Non-fragmenting**
- **Failsafe Design - designed to break at or below 165 psig if installed upside down**

## SRC

The Scored Railcar Disc (SRC) is designed as an alternative to railcar discs containing PTFE seals. The scored technology in the SRC allows for a solid metal disc that eliminates the possibility of leaks caused by the PTFE in composite discs. The SRC is designed to fit standard threaded or bolted railroad tank car safety vents.
